Learning

Curriculum approach – at Navigation we have a broad and balanced curriculum, we believe it is vital for our pupils to experience a wide range of opportunities. During their time at school they will have the opportunity to learn a musical instrument; go to the theatre, take part in performances, support their local community and much more. Our approach is very much healthy mind and healthy body and the children will be taught the importance of looking after both and strategies to support them with their physical and mental well-being.

EYFS at Navigation

- ▶ One nursery class and two reception classes
 - ▶ A teacher and teaching assistant in each classroom
- ▶ Full free flow provision
 - ▶ Nursery flow between the classroom and EYFS garden
 - ▶ Reception flow between the two reception classrooms and the EYFS garden
- ▶ It enables children to learn through PLAY.
- ▶ Adults observe, interact and extend this play.
- ▶ In this way, children are learning at the correct pace and without pressure.
- ▶ It builds on what the children already know and can do and can change with the children's interests!

Transition to School

- ▶ Parents Information evening
- ▶ Home visits – in person or virtual
- ▶ Stay and play sessions
- ▶ Liaise with current nursery settings
- ▶ Set up Evidence Me software in summer term so staff can share Information/photographs/movie clips with all new families
