WELCOME

It might have been the last week of half-term but there was no let up for the busy bees of Navigation. Y3 went to Ancient Egypt, 4AC shared their geography, we had the results of the Good Mood Food competition and a not so silent disco! After all of that we deserve a rest – so have a lovely half-term and see you all on Monday 24th

CELEBRATION OF NAVIGATION ART

As part of an initiative by Friends of Altrincham Interchange, Mrs Whitworth created a poster celebrating art at Navigation. The poster showcases work from all age groups - Nursery to Y6, as well as children's quotes about why art is special to them. On Monday, four budding artists accompanied Mrs Whitworth to the Interchange to unveil the poster. Next time you are in the vicinity, visit platform 4 to see our fantastic work!

Y3 VISIT SOME MUMMIES

Y3 had a fantastic day at the Manchester Museum this week, exploring all things Ancient Egypt. They enjoyed a workshop examining lots of artefacts, asked and answered some super questions like historians, and even got to see a mummified body! We also got to explore the natural world and fossils zones to link with our science. A great time had by all - well done Y3.

MUSICIAN OF THE MONTH - ARETHA FRANKLIN

This week we heard Aretha's classic duet with George Michael 'I knew you were waiting for me'. Listening to this is no surprise she is one the most honoured artists with 20 Grammys. 14 of her singles have also sold over a million copies so we suggest adding Aretha to your half-term playlists!

CHILDREN'S MENTAL HEALTH WEEK - UPDATE

We had a wonderful time celebrating Mental Health week - the children enjoyed lots of experiences, from yoga with Ellie to creating a beautiful piece of art 'Know yourself, Grow yourself'. Y4 won the very popular good mood food competition so after half term they (plus one from each year group who made the most recipes) will all receive an additional playtime. We know this will do no end of good to their mental health...

LOVE IS IN THE AIR

Anyone that has popped into reception today will have seen the children's wonderful heart display celebrating all the things they love about school – from science and maths to playtime and lunches. For the staff our heart would be celebrating the wonderful pupils at Navigation! Enjoy your half-term children you've worked hard and deserve the break.

E-SAFETY CORNER - CYBER BULLYING

Cyberbullying is just as harmful as bullying in person, sometimes more so as it can happen 24/7. Whether it takes the form of spreading rumours or sending hurtful messages, teach your child not to respond to or engage with bullies but report the behaviour to a trusted adult. Encourage them to stand up for others who are being bullied and always be kind online.

PTA UPDATE

SHHH we're dancing! We had a wonderful time at the silent disco this week and what a turn out! There were some amazing outfits and even better dancing. Thanks to everyone that came along to support and to all the adults that threw some shapes....

4AC PARENT EVENT

4AC had a wonderful afternoon on Tuesday, impressing their grown-ups with their geographical knowledge and showing them all their new learning from this half term. A huge thank you everyone who came along.

3MC VISITORS

3MC had some visitors to their classroom this week and absolutely astounded them with their knowledge about ancient Egypt, their enquiring questions and their superb learning behaviours. Well done 3MC

HALF-TERM FUN

Trans Pennine Trail have produced another fun filled [free activity pack](#) for half-term. Try out the sensory walk or join an exciting I-spy adventure. ADMIN UPDATE

We've just cleared out lost property so thought it a good time to remind you to put your child's name any new uniform you get over the half term. As the weather (hopefully) gets warmer unnamed hoodies get taken off never to be seen again....
