

WELCOME

It's officially spring, and we can certainly feel the effect of the sunshine - especially our sporting prowess, as Y2 enjoyed a festival of sport, and our girls scored an amazing victory. We also welcomed our adults into school for parents' evening when we were able to show off all the children's amazing art and fantastic work. Read below for all the latest school news together with offers of a free football ticket and an important PTA date for your diary.

GIRLS' FOOTBALL LEAGUE

What an exhilarating performance from our girls' football team this week as they triumphed over Stamford Park with a resounding 4-1 victory. Displaying exceptional skill and teamwork our players embraced the spirit of the game with both determination and respect for their opponents. Beyond the scoreboard, their positive attitudes and commitment to supporting one another were truly commendable. This match not only highlighted our team's talent but also reinforced the values of teamwork and respect that we cherish at Navigation - thanks to all the adults who helped with transport and cheering and well-done girls!

Y2 HITS IT FOR SIX!

30 children from Y2 had a great afternoon at Timperley Sports Club on Thursday. Working together they developed their throwing, catching and batting skills. What a bunch of great cricketers we have - Heather Knight and Ben Stokes would be proud. Well done Year 2!

MUSICIAN OF THE MONTH - ED SHEERAN

Time 'forever froze' this week as we listened to Ed's single 'photograph'. In 2014 Ed released his second studio album and first number one x (Multiply). It was recorded with several high-profile collaborators, including Pharrell Williams, whose R&B influences can be heard on songs including "Sing" and "Runaway." His single "Thinking Out Loud" also became the first song to spend a full year on the U.K. Top 40 (an accolade we thought had surely gone to Bryan Adams 1991 ear worm 'Everything I do').

SCHOOL SPORTS KIT - PLEASE RETURN!

As you can see from this very active edition, we are a sporty bunch at Navigation. To make sure everyone can represent the school looking and feeling their best could you have a hunt around at home for any school sports kit and get it back to us? Thank you!

E-SAFETY CORNER - AVOIDING IN-APP PURCHASES

Many games and apps offer in-app purchases, offering extra features, virtual goods, or upgrades. Purchases can quickly add up so set up parental controls to prevent accidental purchases and consider removing payment options from your child's device. Also discuss how in-app purchases work with your child and ensure they know to check with you before buying anything online.
