

## **SEND Admissions Arrangements**

Navigation Primary School recognises that each child will have unique needs and welcomes all children, irrespective of need – physical, intellectual, social and emotional. The school does not admit or discriminate against the admission of pupils on the grounds of SEND where their learning difficulty or disability can be catered for within the mainstream setting. Our school meets the requirements outlined in the Equality Act 2010 towards individual disabled children and young people. The school makes every effort to provide reasonable adjustments to ensure that its facilities are accessible. Information on the facilities the school provides to help pupils with disabilities to access the school can be found in the school's Accessibility Plan.

Our Accessibility Plan, as required by the Children and Families Act 2014 and the Equalities Act 2010, can be found here <http://www.navigationprimary.com/page/policies-and-forms/42456>

Admission arrangements for children with SEND (Special Educational Needs and Disability), who do not have an EHCP, are the same for all pupils and are in-line with Trafford Primary Schools Admissions Policies.

More information can be found at <https://www.trafford.gov.uk/residents/schools/school-admissions/Admissions.aspx>

If you have any concerns about your child's development, please contact school as soon as your place has been confirmed in order for the school to plan for their arrival. Prior information gathering meetings might be arranged with the school's SENDCo and Headteacher to discuss a plan and special arrangements that may be needed. More information about SEND can be found in our SEND Information Report and our SEND Policy attached below.

If your child has an EHCP (Education, Health and Care Plan) the admissions process will be managed by the Trafford EHCP Team. The school SENCO and other senior leaders will work with the EHCP team to manage admissions of pupils who have an EHCP.

Information and contact details for Trafford's EHCP team can be found here: <https://www.trafforddirectory.co.uk/kb5/trafford/fsd/service.page?id=kuexad21k10>

Navigation Primary School is committed to providing an environment that enables full curriculum access that values and includes all pupils, staff, parents and visitors regardless of their education, physical, sensory, social, spiritual, emotional and cultural needs.

The school holds a clear position on bullying and all pupils are taught to distinguish bullying from isolated acts of unkindness. There is a range of assemblies and whole school events linked to anti bullying and all staff members are vigilant in monitoring the children's behaviour for indications of bullying. Where bullying is suspected, personalised support measures are put in place for both victims and perpetrators which consider the needs of all the pupils involved. If you have concerns in this area then please do not hesitate to get in contact with the school.

You can also access the Anti-bullying policy in the information tab of the school website or by requesting a copy at the school office.
